

reThought Flood® Residential Flood

Flood Insurance Done Right

We provide superior and flexible coverage backed by our award-winning underwriting methodology to ensure that we are an enduring flood solution in an ever-changing market.

Eligibility

- Single-family dwellings located in the United States
- Multi (2 to 4) family dwellings including residential condominium buildings with a maximum of 4 units

The reThought Difference:

-  Aggregate limit of **\$2M** for Primary or **Excess of NFIP** coverage; **\$2M** building limit; TIV up to **\$3M**
-  **Elevation Certificates** not required, but can be used to apply elevation credit
-  **Valuation:** Replacement Cost Value
-  **Basement coverage** included
-  **High Deductible** options available
-  A.M. Best **"A"** rated carrier

We're the flood experts.

- reThought is a flood-only insurance provider. We go beyond the policy, helping our partners confidently educate their clients on flood risk.

Risk Transparency

- **Responsive** and **consultative** underwriting team to guide you through the hard-to-place risks
- **Flood Risk Reports** that arm you with data-driven insights to communicate flood risk to your client

Ease of Doing Business

- Easy quote to bind **Residential Flood Portal**
- Quote schedules of residential properties
- **Book Assessments** to provide a high level snapshot of your book's flood exposure
